Artisans in Dye Manufacturing

**MANUFACTURERS & EXPORTER OF
REACTIVE, DIRECT & ACID DYES**

Plot No:- 3108, Nr. Benzo Product,
Phase-IV, G.I.D.C., Vatva, Ahmedabad-382 445.

Ph. No : +91 79 4008 7712
Email : export.shrillorganic@gmail.com
Website : www.shrillorganic.com

An ISO 9001-2015 Certified Company

**MANUFACTURERS & EXPORTER OF
REACTIVE, DIRECT & ACID DYES**

Company Profile

Welcome to Shriill Organic Industries. It is prominent name engaged in manufacturing premium quality reactive dyes, direct dyes & acid dyes at cost effective prices. Shriill Organic Industries was incorporated in the year 1998 & its sister concern company having experience of the same industry and it's market.

Shriill Organic Industries is manufacturer, exporter and supplier of industrial dyes like reactive dyes, direct dyes & acid dyes. Ever since the inception, the company has been working hard so much that their products have made their mark in global market owing to high quality and our prompt services. The organization continuously strives to improve its ability to contribute to society through its business activities.

The company has emerged with its dedication & commitment to provide quality products & services to its client and become one of the significant players in its area of operation. The phenomenal growth has been possible for the variety and quality of it's products.

“Stands Among Leading Manufacturer Of Reactive Black-B (Black-5) & Black WNN (Black Mix) Based In India.”

Vision

Shriill Organic Industries aims to become a leading manufacturer and supplier of quality Dyestuffs in the international arena by fulfilling customers' aspirations for environmental safety.

Manufacturing Facility

Located in the Chemical zone of Industrial Estate of Vatva, Ahmedabad; our factory is fully equipped with most modern dyestuff production facilities and equipment as well as Dyestuff testing lab. Under the leadership of qualified and experienced professionals, this factory produce full range of Reactive Dyes, Direct Dyes & Acid Dyes, using proven technological processes and expertise developed over the years, satisfying international standards of quality.

Quality Assurance

An un compromised practice of serial quality checks carried out at different stages of production and finishing of each batch of production ensures that all quality benchmarks are satisfied before a lot is passed for dispatch. Sophisticated testing instruments employed in this process helps in meticulous and accurate test results that go a long way in enforcing our quality assurance system. This has been responsible for retaining unflinching loyalty of our overseas customers.
